The Many Adventures of FOXY GRANDPA

Including all the merry pictures contained in the two volumes, entitled "Adventures of Foxy Grandpa" and "Further Adventures of Foxy Grandpa."

Mr. Schultz said to me one day at lunch: "What do you think of a series of comic drawings dealing with a grandfather and his two grandsons?" "Let the grandfather be the clever one of the trio. In most of the other cases the young folk have been smarter than the old people upon whom they played their jokes. Let's reverse it."

The next morning he came to my office with sketches for half a dozen series, and with the name "Foxy Grandpa" in his hand.

The success of the series in the New York Herald was instantaneous, for who has not heard of "Foxy Grandpa" and "Bunny?"

The jolly old gentleman, dear to grown people as well as children, might almost be called the Mr. Pickwick of comic pictures.

FOURTEEN DIE IN FIRE TRAP

Fatal Blaze in the Lincoln Hotel at Chicago.

HOUSE IS FILLED WITH GUESTS.

Little Damage Is Done to Hotel, but Tenants Lose Their Lives in Smoke and by Leaping From the Windows. Iowa Men Injured.

Chicago, Dec. 5.—Fourteen men met death by suffocation yesterday morning in a fire which occurred at 6 o'clock in the Lincoln hotel, 176 Madison street. Thirteen of those who lost their lives were stifled while lying in their beds. One was taken from the building before life was extinct, but died in the ambulance on the way to the nearest hospital.

Coroner Traeger, after inspecting the building, united with Fire Chief Musham in declaring that the building was a veritable fire trap and should never have been used for hotel purposes. Chief Musham declared that there were such wide cracks in the floor that the smoke poured through the building in clouds, rendering escape extremely difficult.

There was no fire escape on the front of the building, although one was in process of construction. The scaffolding was up and from it dangled several ropes, down which a number of people slid to the pavement after all escape by the stairway had been cut off.

The dead: I. O. Yocum, fire insurance agent, prominent in Davenport, Ia., and son, Samuel; A. B. Coon, lawyer, Marengo, Ill.; F. L. Ewing, mail clerk, Marlette, O.; B. F. Boswell, Chicago; T. V. Slocum, machine dealer, Wauconda, Ill.; H. K. Woods, Lebanon, Ind.; Edward Toner, printer, Milwaukee; F. W. Corey, a railway postal clerk; Ward Lowrey, postal clerk; M. M. Hardy, travelling salesman, Janesville, Wis.; C. P. Cowan, collector on Wabash railroad, St. Louis; George B. Graves, compositor, Chicago.

The following were injured: W. G. Thomas, Cedar Rapids, Ia., badly cut and burned; William M. Snyder, Loom City, Ia., bruised by falling down stairs; Mrs. June Shepherd, Chicago, back sprained, arms and hands cut and bruised; Irwin Westerlund, Chicago, feet burned.

Several of the victims were visitors to the stock show.

The hotel was four stories in height and contained an unusual number of rooms for a hotel of its size.

Night Clerk Gives the Alarm.

F. A. Smith, proprietor of the hotel, declared that there were 125 people in the hotel. It was in fact filled to its utmost capacity. Night Clerk Weber discovered the smoke pouring through the halls shortly before 6 o'clock and did his best to alarm the guests, but the smoke was so dense and increased in volume so rapidly that he was unable to get around to all of them, and was compelled to grope his way to the street to avoid suffocation. The guests came pouring down the one stairway of the building in all stages of undress, and several leaped from the windows of the second story to the sidewalk below and escaped without serious injury.

The firemen, who arrived with great promptitude, saved many lives by carrying people down the ladders from the windows. The smoke on the inside of the building was so thick and so pungent that the firemen were unable to do more than to take the people from the windows. Those who were not able to reach the windows in a few minutes after the fire broke out were suffocated. The fire in itself amounted to very little. As soon as the smoke permitted the firemen to live inside the building, a careful search was made of all the rooms, with the result that thirteen men were found to have been stifled before they were able to leave their beds.

The building was some time ago condemned by the city building inspectors as unsafe for hotel purposes and the owners were three weeks ago ordered to place a stairway in the rear and a fire escape on the front. Beyond the preliminary work, nothing had been done.

Two Children Burned to Death.

Saginaw, Mich., Dec. 5.—Two children of Mrs. Ansley Powers were burned to death yesterday afternoon when their mother left them alone in the house for a few minutes. One child, a girl, was six years old and the other an infant of two months. It is supposed the little girl set fire to some papers with which she was playing. The two dead bodies lay on the floor when the fire department responded to an alarm. The house was only slightly damaged.

Big Blaze at Cleveland.

Cleveland, Dec. 5.—The five-story building occupied jointly by Likely & Rocket, trunk manufacturers, and the Barton & Oliver, lathe turret manufacturers, was destroyed by fire at midnight. The loss is probably \$100,000, with no accurate estimate of insurance. The building occupied half an acre of ground and is an entire wreck.

Killed by Falling Walls.

Gilmer, Tex., Dec. 5.—The walls of a brick building, which was gutted by fire, collapsed yesterday. A Lyle was killed outright, John Hill fatally injured and two others were slightly injured. The fire destroyed a business block. The damage is estimated at \$30,000, half insured.

If you feel ill and need a pill. Why not purchase the best? DeWitt's Early Risers. Are little surprises. Take one—they do the rest. W. H. Howell, Houston, Tex., writes: "I have used Little Early Risers Pills in my family for constipation, sick headache, etc. To their use I am indebted for the health of my family."

Report from the Reform School.

J. G. Gluck, Superintendent, Pruntytown, W. Va., writes: "After trying all of the advertised cough medicines we have decided to use Foley's Honey and Tar exclusively in the West Virginia Reform School. I find it the most effective and absolutely harmless."

A kidney or bladder trouble can always be cured by using Foley's Kidney Cure in time.

Coughs, Colds, and Constipation. Few people realize when taking cough medicines other than Foley's Honey and Tar, that they contain opiates which are constipating besides being unsafe, particularly for children. Foley's Honey and Tar contains no opiates, is safe and sure and will not constipate.

The Pride of Heroes.

Many soldiers in the last war wrote to say that for scratches, bruises, cuts, wounds, corns, sore feet and stiff joints, Buckle's Arnica salve is the best in the world. Same for burns, scalds, boils, ulcers, skin eruptions and piles. It cures or no pay. Only 25 cents at Kiebau drug store.

Saved at Grave's Brink.

"I know I would long ago have been in my grave," writes Mrs. S. H. Newsum, of Decatur, Ala., "if it had not been for Electric Bitters. For three years I suffered untold agony from the worst forms of indigestion, waterbrash, stomach and bowel dyspepsia. But this excellent medicine did me a world of good. Since using it I can eat heartily and have gained 35 pounds." For indigestion, loss of appetite, stomach, liver and kidney troubles Electric Bitters are a positive, guaranteed cure. Only 50 cents at the Kiebau drug store.

A Cold Wave.

The forecast of sudden changes in the weather serves notice that hoarse voice and a heavy cough may invade the sanctuary of health in your own home. Cautious people have a bottle of One Minute Cough Cure always at hand. E. H. Wise, Madison, Ga., writes: "I am indebted to One Minute Cough Cure for my present good health, and probably my life." It cures coughs, colds, lagrippe, bronchitis, pneumonia and all throat and lung troubles. One Minute Cough Cure cuts the phlegm, draws out the inflammation, heals and soothes the mucous membranes and strengthens the lungs. The Kiebau Drug Co.

A Paris dispatch says, "M. Rosey has just discovered the secret of perpetual youth." Too late, we've had it for years. Madison Medicine Co.'s Rocky Mountain Tea. A. H. Kiebau.

A Timely Topic.

At this season of coughs and colds it is well to know that Foley's Honey and Tar is the greatest throat and lung remedy. It cures quickly and prevents serious results from a cold.

A Million Voices.

Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for consumption and writes—"It completely cured me and saved my life. I now weigh 227 pounds." It's positively guaranteed for coughs, colds and lung troubles. Price 50 cents and \$1.00. Trial bottles free at Kiebau drug store.

The Madison Medicine Co. owns the exclusive right to manufacture Rocky Mountain Tea. Tea sold which is not made by us is a deception. Never sold in bulk. Always packages at 35 cents. A. H. Kiebau.

Kodol Dyspepsia Cure

digests all classes of food, tones and strengthens the stomach and digestive organs. Cures dyspepsia, indigestion, stomach troubles and makes rich red blood, health and strength. Kodol rebuilds without tissues, purifies, strengthens and sweetens the stomach. Gov. W. Atkinson, of W. Va., says: "I have used a number of bottles of Kodol and have found it to be a very effective and, indeed, a powerful remedy for stomach ailments. I recommend it to my friends. The Kiebau Drug Co."

Boy's life saved from Membranous Croup.

C. W. Lynch, a prominent citizen of Winchester, Ind., writes: "My little boy had a severe attack of membranous croup, and only got relief after taking Foley's Honey and Tar. He got relief after one dose and I feel that it saved the life of my boy." Refuse substitutes.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

A Thousand Dollars Worth of Good.

A. H. Tharner, a well known coal operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. I got Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and now I have no pain across my kidneys and I feel like a new man. It done me a \$1000 worth of good."

What's in a Name?

Everything is in the name when it comes to Witch Hazel salve. E. O.

DeWitt & Co. of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. The Kiebau Drug Co.

Falls a Deadly Attack.

"My wife was so ill that good physicians were unable to help her," writes M. M. Austin, of Winchester, Ind., "but was completely cured by Dr. King's New Life Pills." They work wonders in stomach and liver troubles. Cure constipation, sick headache, 25 cents at Kiebau drug store.

A novel feeling of leaping, bounding impulses goes through your body. You feel young, act young and are young after taking Rocky Mountain Tea. 35 cents. A. H. Kiebau.

A MILD CASE

Of Contagious Blood Poison never existed. It is always bad, though sometimes no external symptoms of the disease appear for a long time.

Because the disease is slow in developing does not indicate that the case is a mild one, for the poisonous virus at work in the blood and system may be spending its force upon some internal vital organ while you are looking for external signs. Contagious Blood Poison does not affect all alike. In most cases the first little sore is quickly followed by painful swellings in the groins, a red eruption upon the body, sores or ulcers in the mouth and throat, unsightly copper colored blotches, loss of hair and eyebrows and other symptoms of this miserable disease. When the poison is thus fighting its way to the surface, exposing the disease in all its hideousness, we call it a bad case; but Contagious Blood Poison, whether working internally or externally, is a dangerous, treacherous disease.

S. S. S. is the only remedy that cures Contagious Blood Poison thoroughly and permanently. It is an antidote for the deadly virus that produces the awful eruptions, sores and ulcers, and destroys the bones. Mercury and Potash dry up the skin eruptions, but in so doing drive the poison further into the system, where it slumbers for a time, but comes back again with redoubled fury.

S. S. S. is a vegetable remedy that has been used successfully for years in treating this vile disease and cures it in all stages and forms. If you have the slightest symptom; an occasional sore mouth, or muscular and bone

pains, your blood is tainted and the disease is liable to break out again at any time.

A course of S. S. S. will remove every trace of poison and at the same time build up your general health.
